RE: EXEMPTION ALLOWED FOR VACCINE

To Whom It May Concern,

I am writing this letter to confirm that \_\_\_\_\_ have been attending our ministry and that his / her attendance, have been consistent every Sunday morning worship service.,

From my conversation with them, he /she do not want their children to have the vaccine based on their religious convictions.

The constitution of the United States 1<sup>st</sup> Amendment states that we all have the right to our religious convictions and its freedom is not to be infringed by federal or states.

They do attend church and they often are seen at the altar praying as a family.

Thank you for all you do in the school department, and, in helping students and facility stand in freedom of our county, and to the upholding of the constitution of the United States of America.

Respectfully,

---
